

Computing/Coding Club

This club isn't running at the moment. It will restart later in the school year.

Run by: Mr Oliver Starr

Time and Day: Thursday lunchtime 12:45 – 1:10

Cost: No charge

Suitable for: Years 3-6 (Depending on numbers)

This is a drop in club. (You don't have to come every week.) We will explore different programmes such as Scratch and Trinket to practise our coding skills, working on projects provided by CodeClub.co.uk.
